

Ledgergrowth fund

Whitepaper

Introduction

Ledgergrowthfund was founded in 2015 in Unitedkingdom and with the aim of making investing accessible for everyone.

We have emerged to a team of over 1,800 members and user base of over 10+ million, making us one of the fastest growing investment companies in Europe.

We possess a user-friendly platform that enables our users trade anything, from crypto currencies and metals, to investing in stocks

Overview

About us

At Ledgergrowth fund, we see investing differently
Today's financial system is complex, exclusive and expensive - making it hard for the typical person to start investing.

So, we're building a platform without digital walls and complex barriers. A platform that empowers you to see new possibilities for your money and helps make your Dreams a reality

Our Vision

We implement a global multi-strategy investment approach that engage us in a broad array of trading and investing strategies across a wide spectrum of diversified opportunities.

Our Mission

Our mission is to create a bright financial future for our clients. As we pursue that goal, we're guided by our high values that ensure we never forget that our clients interest always comes first.

Our Expertise

We have consistently embraced innovation to provide superior level of assistance to our clients globally. We're reaching out beyond traditional practices financing interesting projects to develop next-generation areas of expertise.

Investing in Small Businesses!

Ledgergrowth fund aspires to leverage its expertise and strong capital position to own and operate a selection of retail, consumer products and wholesale businesses.

Investing in business entities in the early stages of their development presents an excellent opportunity to increase your wealth, especially when compared with more conventional investment strategies

Insuring Your Future From Real Estates

OUR FOCUS IS ON TOP PERFORMING CITIES OFFERING DOUBLE DIGIT RENTAL & CAPITAL GROWTH RETURNS.

Cryptocurrency Markets

Growing incredibly in popularity in recent years, cryptocurrencies have become the go-to investment option for many. With an ever-growing selection of cryptocurrencies added to the platform, offering balanced exposure and managed by Ledgergrowth fund's expert investment committee, We present many options for those who wish to trade and invest in the crypto market.

LICENSES AND REGISTRATIONS

Ledgergrowth fund is committed to working closely and collaboratively with regulators from around the world. We currently have the following regulatory licenses, registrations, authorisations and approvals:

Europe

Germany

Ledgergrowth fund Germany has been granted registration as a Virtual Asset Services Provider by the Dutch bank (registration number D661). The registration enables capital ban to provide crypto asset exchange and custody services.

Spain

Ledgergrowth fund Spain has been granted a Digital Asset Service Provider (DASP) registration by the Organismo Agenti e Mediatori (OAM) (registration number PSV5). The registration enables us initially S.R.L. to provide crypto asset exchange and custody services

Portugal

Ledgergrowth fund Portugal SAS has been granted registration as a Digital Asset Service Provider DASP Autorité des Marchés Financiers (AMF) (registration number E2022-037). Civic Trades Portugal can provide the following regulated services in Portugal: digital assets custody; purchase/sale of digital assets for legal tender; exchange of digital assets for other digital assets; and operation of a trading platform for digital assets.
